### **QUOTE OF THE DAY**

“May you live all the days of your life.” – Jonathan Swift

“There's a reason poets often say, 'Poetry saved my life,' for often the blank page is the only one listening to the soul's suffering, the only one registering the story completely, the only one receiving all softly and without condemnation.” – Clarissa Pinkola Estes

“I found that dance, music, and literature is how I made sense of the world... it pushed me to think of things bigger than life's daily routines... to think beyond what is immediate or convenient.” – Mikhail Baryshnikov

“I cannot write poetically, for I am no poet. I cannot make fine artistic phrases that cast light and shadow, for I am no painter. I can neither by signs nor by pantomime express my thoughts and feelings, for I am no dancer; but I can by tones, for I am a musician.” – Wolfgang Amadeus Mozart

“Begin at the beginning and go on till you come to the end; then stop.” – Lewis Carroll
